

## **AFD Monthly Board Report July 2024**

- 75 calls for service in the month of July.
- 42 of the 75 calls were for EMS.
- AL-45 was out of service for a few weeks, the transmission computer was replaced. Along with some electrical pins that are in the plug for the TCM.
- AL-31 is out of service. We are waiting for a hub seal for the driver's side steer tire.
- Stand by generator had a low engine temp issue. Not allowing it to run during a planned energy shut down by National Grid.
- We are taking in many new members; they have all been active since being voted in.
- Windows that were broken have been replaced.
