

## AFD Monthly Board Report November 2024

- 59 calls for service in the month of November.
- 24 of the 59 calls for service were EMS.
- Currently at 713 calls for service so far this year.
- No injuries to report for the month of November.
- All personnel have been keeping up with their training.
- Requested all apparatus repair logs and manuals to be turned over to the Fire Department by the 1<sup>st</sup> of the year.
- This will be my last report to the village as we start our fire district on the 1<sup>st</sup> of January. All of us at AFD are excited for our new adventure.
- As we depart from the village. We are proud to have served the residents of the Village of Albion, Town of Albion and the Town of Gaines for over 200 years under the village. We will still continue to provide the same service to the residents in our new roll as a Fire District. I am responsible for the safety and well being of over 100 firefighters and over 10,000 residents in our fire district. Which myself and my

department take great pride in. I look forward to being able to finally provide the essential equipment and training. For all firefighters under my watch and to benefit all residents in our community. Good luck to the board and all future boards in your in devours. I hope a lesson can be learned from all of this. That future forward thinking and planning is better used to benefit the departments in the village.

Jeremy Graham

Fire Chief
